Days full of action,
nights in leisure

PACKAGE INCLUDES

Return transfers from Kittilä
Complete winter clothing
2 overnights in shared accommodation with shared facilities
2 overnights in shared accommodation according to the itinerary
4 nights full board
Safaris as mentioned, 1 person per snowmobile
English speaking wilderness guide

Day 1 – Arrival

Arrival at Kittilä airport and transfer (approx. 1 hour) to Muonio. Welcome dinner and overnight in one of our shared accommodation with shared facilities.

Day 2 - Start your engines!

After breakfast you will meet your safari guide and receive information about the program as well as the safari equipment. Our experienced guide will give you safety instructions and driving training and then it is time to start the engines! Driving distance today is approximately 100km and everybody will be driving their own snowmobile*, over frozen lakes and snow-covered forests. Late afternoon we arrive to Palojärvi, near the Norwegian border, where warm sauna and dinner are waiting. Overnight in comfortable accommodation.

Day 3 – Hit the fells

After breakfast it is time to discover the surroundings of this treeless fell region near the Norwegian border. Lunch is prepared during the safari. Driving distance today is between 80-100 km depending on the weather conditions and the skills of the participants. Dinner, sauna and overnight.

Day 4 - Farewell

After breakfast the snowmobile safari continues back to Muonio. Driving distance today is approximately 100km and in the evening you are sure to feel those muscles in your legs! Go through your safari memories together once more during a delicious farewell dinner with Lappish specialities. Overnight in one of our safari houses with shared facilities.

Day 5 - Departure

Breakfast and transfer to Kittilä airport.

**Due to the long distances, there are no shared driving possibilities*

This is a sample itinerary, a full itinerary will be given in resort.

We hold the right to make changes to the program itinerary according to weather and safety conditions.
